- I have a specific project in mind that I'd like to do.

If you have a potential project in mind that you'd like Merriwood Christian Camp to consider, please describe that project here:

If you complete a project at Merriwood, do you mind if MCC puts a sign up at your project, recognizing you? That is fine to include my name on a sign I do not wish my name to be posted in the sign

Here are a few things to keep in mind if hoping to do a project for Merriwood Christian Camp:

- Most projects should be completed outside our summer season (September through May is best)
- Terry Covington, the Administrator, is the main contact for Eagle Scout Projects
- We can provide project ideas if desired. We always have things to accomplish here! We are open to the idea of the Eagle Scout as well (specifically if they attend as a summer camper or retreat guest and have seen the need for additions).
